About Me

I like the satisfaction of a working piece of code. Eager to learn new things, I always have a course or two bookmarked on my browser. Being a team player is one of the many skills I have achieved after working with many developers at my firm.

Info

Age : 27

Marital Status : Single

Military Service : Completed

Location : Tehran-Chahardangeh

Languages : German, English, Persian

Education

Tehran-south Azad University — Power Electrical Engineering 📅 Oct 2015 - 2020
